TRAINING

For over 40 years, Cultura Training (the new face of Diversitat Training) has been focused on providing vocational education and building partnership networks and graduate pathways to connect students with local employers. Cultura Training presents an inclusive and diverse learning community, smaller class sizes and flexible study options with both day and evening classes as well as workplace based training.

Cultura Training offers nationally accredited training to prepare students for careers in:

- Individual Support (Aged and Disability)
- Community Services
- Early Childhood Education

We also offer Skill Sets in the areas of:

- Entry into Care Roles
- Individual Support- Home and Community (Ageing)

GLOBAL MINDS

CULTURAL AWARENESS PROGRAM

Join Cultura's comprehensive training package aimed at fostering inclusivity in your workplace and beyond. Our program covers essential topics such as cultural self-awareness, cultural humility, intercultural communication and ensures participants gain a deeper understanding of cultural contexts and biases. By emphasising the importance of cultural sensitivity, communication styles, and adapting services to diverse clients, we pave the way for meaningful relationships and positive experiences for all.

Together, let's eliminate workplace disharmony and promote cultural understanding. Upon completion participants will receive a valuable credential to showcase your commitment to inclusivity.

Don't miss out on this opportunity to enhance your cultural competence and create a more inclusive environment. Join us at Cultura's new and innovative training program and take a step towards fostering harmony and greater understanding in your workplace.
